## ABOUT US

Established in 1992 and consistently worked towards imparting quality education in pharmacy, Nargund College of Pharmacy is renowned for seamless integration of its educational programs, pharmaceutical services and research. With a campus having accessible distance to hostel and the college with which highly experienced and qualified staff and their national and international collaborations, the college prepares the next generation of pharmacists, pharmaceutical scientists, and pharmacy leaders. The College campus is set in the heart of bangalore city. In addition to the educational and clinical opportunities offered through Nargund College of Pharmacy, the College focuses on its mission to serve society by interacting with area communities through patient-oriented service projects, education and research. The College reflects the multi-cultural composition of its host city.

We at Nargund college of Pharmacy greatly focus on giving the most advanced training and hand on experience to the students through various collaborative research projects. With the college's strategic location in the heart of Bangalore, the College is able to provide unsurpassed educational and collaborative opportunities to the train students.

# TESTIMONIALS

NCP has provided a great platform for learning and enriching our knowledge. They put in immense effort to guide us in theoretical, practical, aptitude and technical skill. The college is filled with positive energy and exuberance. Our college is well equipped with all the required facilities that bring about the best in us.

**Anjan Mani Paudyal,**  
Bachelor of Pharmacy[B. Pharm] (2016-2020)

Studying at Nargund collage of Pharmacy was an explicit experience for me. They have experienced Faculty in their subject domain. They have also provided me with immense support to grow both academically and culturally giving each student space and opportunity to utilise their talents.

**Dr. Amrutha Ann Binu,**  
Doctor of Pharmacy[Pharm. D]
